Thai Vu

Student

About Me I will put good effort in whatever I do in my remaining time. Currently honing my skills in Web development and entrepreneurship for future food, I also love to follow current trends in technology and explore new ideas in general. A huge fan of post-rock.

Education

2017 - , Aalto University, Finland

MSc, EIT Digital Master School

2016 - 2017, Eotvos Lorand University, Hungary

MSc, EIT Digital Master School, GPA 4.29/5

2012 - 2015, University of Science and Technology of Hanoi, Vietnam

BSc, Computer Science, Rank 2/14

Experience

Apr 2016 - Aug 2016, Software Engineer, Gosei Vietnam

My senior and me were doing development and maintenance for an American student loan management system. Stack included .NET MVC, Entity Framework, Microsoft SQL Server and HTML/CSS/JS.

Aug 2015 - Mar 2016, Software Engineer, FPT Software Vietnam

Our team was doing SharePoint customizations for projects related to a few Singapore's governmental institutions. Stack included Microsoft SharePoint, Microsoft SQL Server and HTML/CSS/JS.

Aug 2015 - Mar 2016, Intern, École des Mines de Paris - France

I was doing some cache profiling for further memory optimizations under the guidance of my supervisor. Stack used: C, Lex & Yacc, Valgrind.
